## FOR COUPLES

**6 — 27 AUGUST 2019**

4 TUESDAY EVENINGS, 6PM — 9PM, MULLUMBIMBY

### REGISTRATION AND CANCELLATION POLICIES

This workshop has been created to support participants in deepening their awareness of what is happening beneath their conscious experience of intimacy (with themselves and in relationship), giving them an opportunity to study their experience and practice in a safe environment.

As a participant, you contribute to creating a safe, strong, and well-supported program container by understanding these policies.

#### 1. REGISTRATION POLICY

All participants are expected to participate in the entire program, which includes — planning to arrive on time, staying for the full duration of group sessions, participating in daily home practice and contributing to the forum on a daily basis. The daily forum contribution only needs to be short, but supports the container in both safety and deepening awareness.

Participants are requested to reveal ONLY what feels comfortable and within their limits.

Once the intensive starts, no additional participants will be able to join the workshop.

Occasionally, there is a need to turn someone away after they have registered or for an individual to leave a program mid-course for their own welfare and/or the welfare of the group. This is a rare occurrence and I will endeavour to facilitate this process in a safe and contained way.

#### 2. CANCELLATION AND REFUND POLICY

There are no refunds for cancellations after the 30 July 2019, unless your space can be filled easily by another couple. In this case, a cancellation fee of \$200 will be incurred. per couple. Cancellations prior to this date are refundable, however, will still incur a \$200 fee.

#### 3. HEALTH CHECK AND MEDICAL CONFIDENTIALITY

Participants are required to inform the facilitators of any psychological or physical illnesses that could put other participants or the workshop facilitators in any danger. We
